Dear sir,
Please update.

Regards
Bipul

Subject: Regarding Star Link
To: Bipul Chandra Das <bipuldas@starcement.co.in>

Since, they(PC) are not getting the points they deserve, therefore they were disappointed with Star Cement. And that's why they are not feel like using our star cement products.
Because i had earlier assured them that they would get the points they were supposed to get. Kindly look after the matter and resolve it as soon as possible otherwise, those people will not like to use our products even in the future.
